Hi Allyn-

After we spoke, I contacted Christine Tokarz, R8's FIFRA inspector. Christine contacted Mr. Wise, the POC for Enforcement/Investigatory / Ex. 7(a) earlier today and indicated to him that EPA would not be reviewing the company's import form until after the shutdown. I believe we are now on the same page with R10 regarding limiting our FIFRA responses to public health or environmental emergencies or imminent harm.

Best,
Suzanne
